Special Coverage for Seasonal Dwelling – Outbuildings and Belongings, Rental Dwelling – Outbuildings and Belongings and Special Belongings

Your policy is made up of a Cover Page and this booklet. **Your** policy is a legal contract between **you** and **us**. This booklet explains **your** coverages and is written in a language to make it easier for **you** to understand **your** insurance product. **Your** Cover Page shows the coverages **you** have chosen, what **we** agree to insure, the coverage **we** provide, and the **amount of protection**. It also shows the premium **you** have agreed to pay. All **amounts of protection** are shown and all losses are payable in Canadian dollars.

This policy booklet is in seven parts:

Part 1 – Dwelling, Outbuildings and Belongings

- explains the type of property **you** own or use that **you** can protect, such as a seasonal dwelling, outbuildings, belongings, or a **dwelling you** rent to others.

Part 2 – Perils Insured

- explains the perils **you** can protect **your** property against. There are three coverage options **you** can choose from. They are: Cover Code A, Cover Code B, or Cover Code C. It also explains Cover Code AE. **Your** Cover Page shows which cover code **you** have.

Part 3 – Added Features of Your Part 1 Coverage

- explains the added features **you** have with **your dwelling** coverage

Part 4 – Special Belongings

- explains the coverage **you** can have to cover other items **you** own and use such as furs, jewelry, watercraft, and other property **you** need to insure on a separate basis.

Part 5 – Other Property

- A) All-Terrain Vehicles
 - explains the coverage **you** can have to cover all-terrain vehicles.
- B) Dwelling Under Construction
 - explains the coverage **you** can have to cover **dwellings** under construction.

Part 6 – Policy Conditions

- explains how **we** settle a claim, property and causes of loss **we** do not cover, and general conditions that apply to Parts 1, 2, 3, 4 and 5.

Part 7 – Statutory Conditions

- these are conditions **we** must tell **you** about by law.

All claims will be settled directly with the person(s) named on **your** Cover Page. Only the person(s) named on **your** Cover Page may make a claim against this policy and may take legal action against **us**.

Claims presented for loss or damage by any person(s) covered under this policy, shall be considered to be made by all named or unnamed insured person(s) jointly. Action(s) of any person either individually or jointly shall be considered action(s) by all for the purpose of investigation and settlement of losses.

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Limitations Act*.

The key to **your** policy is its Cover Page. It shows the type and amount of **your** coverage. It gives the location of property **you** are insuring and it describes certain types of property **you** are insuring. **Your** coverage starts at 12:01 A.M. standard time on the **Effective Date**. It ends at 12:01 A.M. standard time on the **Expiry Date**. **Your** Cover Page shows both of these dates. This is **your policy term**.

This policy contains various exclusions and limitations that eliminate or restrict coverage. Please read it carefully.

Insurance cannot be a source of profit. It is only designed to indemnify you against actual losses or expenses incurred by you or for which you are legally liable.

- 8) **Water Escape and Rupture.** If **you**, or **your** tenant with **your** knowledge, are away from **your premises** for more than 10 consecutive days during the normal heating season, **you** or **your** tenant must do one of three things. **You** or **your** tenant must shut off the water supply and drain all pipes, attached fixtures, and appliances, **or** arrange to have a reliable person come in daily to check the heating, **or** have **your premises** electronically monitored 24 hours per day by a company that monitors and responds to a low temperature signal. If **you** do not, **we** will not cover loss or damage caused by freezing, or resulting water damage.

We do not cover loss or damage to **your dwelling** or belongings if **your dwelling** has been **vacant** for more than 30 consecutive days or while **your dwelling** is under construction.

Comprehensive Perils. Shown below are some perils or causes of loss that **we** exclude. If these are the cause of loss or damage, **we** will not cover such loss or damage. If the peril that causes loss or damage is not one of the perils shown below, then **you** are covered.

We do not cover loss or damage:

- a) caused by water below ground level including that which exerts pressure on or flows, seeps or leaks through any opening in a sidewalk, driveway, foundation, wall, window, door or floor. **We** will, however, cover if it was due to a sudden and unexpected escape of water from a swimming pool or its attached equipment, fire fighting activities, or a public **watermain**.

In order to have this coverage, **you** or **your** tenant must do one of three things. **You** or **your** tenant must shut off the water supply and drain all pipes, attached fixtures, and appliances, **or** arrange to have a reliable person come in daily to check the heating, **or** have **your dwelling** electronically monitored 24 hours per day by

a company that monitors and responds to a low temperature signal. But, **we** will not cover loss or damage if **your dwelling** has been **vacant** for more than 30 consecutive days or while **your dwelling** is under construction, even if **we** have given permission for construction or vacancy.

- e) caused by dampness of atmosphere, extremes of temperature, condensation (includes ice and/or frost from condensation), wet or dry rot, mould, acid rain, contamination, inherent vice, unknown flaw and defect.
- f) caused by mechanical breakdown, except as covered under Optional Coverages – Home Systems Protection.

- i) due to theft or attempted theft, vandalism or malicious acts:
 - (i) to property from that part of **your premises** rented by **you** to others caused by any tenant, tenant's guests, tenant's employees, or members of their household, unless fire ensues and then **we** only cover the loss or damage caused by the ensuing fire.
 - (ii) caused by **you** or anyone living in **your** household.
 - (iii) while **your dwelling** is under construction or **vacant**, even if **we** have given permission for construction or vacancy.

- k) caused by vermin (such as skunks and raccoons), rodents (such as squirrels and mice), insects (such as moths and termites), moles, zebra mussels, bats, birds, or domesticated animal. **We** will cover resulting damage to building glass if the peril of Glass Breakage is insured under **your** policy.
- l) caused by sudden and accidental bursting, tearing apart, cracking, burning, or bulging due to the pressure of or lack of water or steam in a plumbing, heating, fire sprinkler, or air conditioning system, or an appliance for heating water occurring after **your dwelling** has been **vacant** for more than 30 consecutive days or while **your dwelling** is under construction, even if **we** have given permission for construction or vacancy.

We do not cover the following three things if they happen at the same time as an excluded peril or cause of loss above or elsewhere in this policy or contribute with an excluded peril or cause of loss to produce a loss:

- weather conditions.

The loss must be due to a peril for which **your** own belongings are insured. **Your** guests or **residence employees** must not have any other coverage on their belongings. All claims will be settled directly with **you**.

We cover direct physical loss or damage due to the **collapse** of a foundation, wall, floor, or roof of **your dwelling** or outbuildings caused by any of these three things:

This coverage is not subject to a deductible.

Emergency Mobile Home Removal

If **your dwelling** is a mobile home and must be moved to protect it from loss, **we** will pay to have it moved and returned. The loss or threat of loss must be due to a peril for which **your dwelling** is insured. **We** do not consider **your** mobile home to be **in transit** when it is moved for this emergency.

Fraud Conviction Reward

We will pay up to \$1,000 for information which leads to a conviction of fraud in connection with an insured loss to property insured by this policy. The amount **we** pay adds to **your total amount of protection**. The \$1,000 limit will not be increased regardless of the number of persons providing information.

This coverage is not subject to a deductible.

Increased Living Expenses

We will pay up to 10% of the **amount of protection** shown on **your** Cover Page for **your dwelling** to pay for an increase in **your** living expenses. The costs must be due to a peril for which **your dwelling** is insured. The length of time **we** will continue to make payments is not restricted by the expiry of **your** policy. The amount **we** pay adds to **your total amount of protection**.

If the loss makes **your dwelling** unlivable, **we** will pay for **your** moving costs. **We** will pay for the reasonable increase in **your** cost of living required to maintain **your** normal standard of living. **We** will not pay expenses for things that are not needed to support **you** during the period **your dwelling** remains unlivable.

We will continue to pay only until **you** repair or replace **your dwelling**, or **you** permanently relocate. **We** will give **you** a reasonable time to repair or replace **your dwelling** and to settle **your** household, and then **we** will stop paying. **We** will not pay for any increased costs for Increased Living Expenses, due to unnecessary delays on **your** part, to repair or replace **your dwelling** or outbuildings, relocate or to settle **your** household.

We will also pay for Increased Living Expenses when a public authority denies **you** access to **your dwelling**. **We** will pay these costs for up to two weeks. The denial must be due to damage to **your** or neighbouring premises from a peril for which **your dwelling** or outbuildings are insured. If **you** have Cover Code C, it must be due to a **Listed Peril**.

Inflation Protection Factor

To help protect **you** in the event **you** have a loss, **we** will increase the total **amount of protection** on **your dwelling**, outbuildings, and belongings by a portion of the Inflation Protection Factor (IPF) percentage (as shown on **your** Cover Page) as follows:

- 2 months after inception – 25% of the IPF
- 5 months after inception – 50% of the IPF
- 8 months after inception – 75% of the IPF
- 11 months after inception – 100% of the IPF

Inception means the effective date of the policy, or, if the policy has been in force for more than one year, its last anniversary date. Vacant buildings do not have this added feature.

Lost Rental Income

We will pay up to 10% of the **amount of protection** shown on **your** Cover Page for **your dwelling** to pay for loss of rental income. The costs must be due to peril for which **your dwelling** is insured. The length of time **we** will continue to make payments is not restricted by the expiry of **your** policy. The amount **we** pay adds to **your** total **amount of protection**.

We will pay for **your** actual loss of rental income for those parts of **your dwelling** or outbuildings that **you** were renting out when the loss took place. **We** will pay for the fair rental value of this property even if it was not rented out when the loss took place. **You** must show **us** that **you** were trying and able to rent it out at the time of loss. **We** will pay until **you** have had a reasonable length of time to repair or replace **your dwelling** or outbuildings, and then **we** will stop paying. **We** will deduct any savings in expenses, such as electric and water bills, which stop because of this loss.

We will not pay for any increased costs for Lost Rental Income, due to unnecessary delays on **your** part to repair or replace **your dwelling** or outbuildings, relocate or to settle **your** household.

We will also pay for Lost Rental Income when a public authority denies **you** access to **your premises**. **We** will pay these costs for up to two weeks. The denial must be due to damage to **your** or neighbouring premises from a peril for which **your dwelling** or outbuildings are insured. If **you** have Cover Code C, it must be due to a **Listed Peril**.

Outdoor Trees, Shrubs, Plants and Lawns

You may use up to 5% of the **amount of protection** shown on **your dwelling** to pay for loss or damage to outdoor trees, shrubs, plants, and lawns. Loss must be due to 1 of these 8 causes: 1) Fire. 2) Lightning. 3) Explosion or Implosion. 4) Riot. 5) Impact by Aircraft, Spacecraft or Land Vehicles. 6) Vandalism. 7) Malicious Acts. 8) Theft including damage caused by attempted theft.

We will pay for property that is damaged or used trying to protect **your dwelling**, outbuildings, or belongings from a loss. For example, **we** will pay to recharge a neighbour's fire extinguisher if it was used to fight **your** fire. **We** will not pay for property owned by a fire department. The amount **we** pay adds to **your** total **amount of protection**.

Tear Out

We will pay to remove and replace or repair parts of **your dwelling** or **premises** if that is necessary to repair **rupture** damage to plumbing, heating, fire sprinkler, or air conditioning systems.

We will not pay the cost of tearing out and replacing or repairing property for damage related to swimming pools, hot tubs, or similar installations, public **watermains**, or sewers.

This coverage is not subject to a deductible.

Temperature Change

If there is a failure of any system in **your dwelling** or outbuildings that maintains an artificial temperature, such as **your** furnace or freezer, including mechanical breakdown, accidental unplugging or off premises power interruption, **we** will pay for the loss or damage to **your** belongings that is caused by the resulting change in temperature. The belongings must be in a building.

Theft and Theft-Related Damage

If not covered elsewhere in this policy, **you** may use up to \$1,000 to pay for theft related damage to **your dwelling** or outbuildings, but **your** belongings must be insured for the peril of theft. The damage must be caused by theft or attempted theft of **your** belongings.

Optional Coverages

Your Cover Page will show which of the following optional coverages apply to your policy.

Guaranteed Replacement Cost – Seasonal Dwelling

If **your** Cover Page shows that **you** have this coverage, **we** will pay to repair or replace **your** seasonal dwelling at today's prices with material of similar kind and quality. **We** will do this even if the cost is more than the **amount of protection** shown on **your** Cover Page. But, **we** will not pay for increased costs due to any law or bylaw dealing with building or repair.

Guaranteed Replacement Cost does not apply:

- if **your** seasonal **dwelling** is **vacant** when a loss happens.
- when the loss or damage is caused by the sudden and accidental bursting or overflowing of your domestic fixed fuel oil tank, apparatus or pipes.

After a loss, **you** must do three things to get this coverage:

- **you** must rebuild **your** seasonal dwelling on a permanent foundation at the same site.
- **you** must rebuild **your** seasonal dwelling within a reasonable time.
- **you** must re-occupy that location as a seasonal dwelling.

We will not pay for any increased costs due to unnecessary delays on **your** part.

You must tell us if you are making changes to your seasonal dwelling that will increase its total Replacement Cost by \$25,000 or more and you must tell us within 90 days of the date when work started. For example, when **you** add an addition to or renovate **your** seasonal dwelling. **You** must pay an additional premium for this increase in value. If **you** do not tell **us** of such changes in replacement values as

required, **we** will not pay more than the **amount of protection** shown on **your** Cover Page. The basis of settlement will be on a **Replacement Cost** basis as defined previously in this booklet. Guaranteed Replacement Cost will not apply. **We** will increase the **amount of protection** shown on **your** Cover Page only by the amount allowed under the **Added Features of Your Part 1 Coverage – Inflation Protection Factor**.

Home Systems Protection

If **your** Cover Page shows **you** have this coverage, **we** will pay up to the **amount of protection** shown for Home Systems Protection, except as specified for Spoilage below, for loss, damage or expense arising from any **one home systems breakdown**. Your Cover Page must show which all-terrain vehicle(s) **you** have chosen to cover, its Cover Code and **amount of protection**.

Added Feature: If **you** insure an all-terrain vehicle, **we** will pay up to \$2,000 for damage to a new unit acquired by **you** as owner, if it does not replace insured property. Should the new unit replace an item **we** already insure, then **we** will use the **amount of protection** shown on **your** Cover Page for the replaced property, if it is more than \$2,000.

We will not pay for damage to new or replacement property when **you** have not told **us** of **your** ownership within 30 days after its delivery.

Comprehensive perils means that if the cause of loss or damage or the peril that causes loss or damage is not shown below, then **you** are covered.

Property and Causes of Loss We Do Not Cover

- a) Loss or damage caused by water below ground level including that which exerts pressure on or flows, seeps or leaks through any opening in a sidewalk, driveway, foundation, wall, window, door or floor. **We** will cover the loss or damage if it was due to a sudden and unexpected escape of water from a swimming pool or its attached equipment, fire fighting activities, or a public **watermain**.
- b) Loss or damage caused by flood, **surface water**, waves, tidal waves, overflow of streams or other bodies of water, spray, ice or waterborne ice, shoreline ice build-up, or waterborne objects, whether any of the former are driven by wind or not. **We** will cover the loss or damage if it was due to a sudden and unexpected escape of water from a swimming pool or its attached equipment, fire fighting activities, or a public **watermain**.
- c) Loss or damage caused by accidental discharge or seepage or continuous or repeated leakage of sewage or water from a sewer, sump, septic tank, or eavestrough or downspout connected to **your** sewer. **We** do not cover loss or damage caused by back up, discharge or escape or overflow of water or sewage from public sewers or drains outside **your dwelling**.
- d) Loss or damage not due to a sudden, unexpected event.
- e) Loss or damage caused by dampness of atmosphere, extremes of temperature, condensation, wet or dry rot, mould, acid rain, contamination, inherent vice, unknown flaw and defect or mechanical breakdown.
- f) Loss or damage caused by vermin (such as skunks and raccoons), rodents (such as squirrels and mice), insects (such as moths and termites), moles, zebra mussels, bats, birds, or domesticated animals. **We** will cover resulting damage to building glass caused by birds if the peril of Glass Breakage is insured under **your** policy.
- g) Loss or damage caused by wear and tear, rust or corrosion, deterioration, frost or freezing, or contamination unless caused directly by a peril not otherwise excluded.
- h) Loss or damage caused by snowslide, earthquake, landslide or any **earth movement**. If any of those results in fire or explosion, **we** will pay for the resulting loss or damage.
- i) Loss or damage to temporary coverings of polyethylene or other plastic materials, tarpaulins and fabrics.

- j) The cost of excavations, brick, stone or concrete foundations, piers or other supports which are below the under surface of the lowest basement floor, or where there is no basement, which are below the surface of the ground.

Deductible Clause

The deductible is shown on the Cover Page.

A deductible means that **you** will have to bear the first part of **your** loss yourself. **We** will subtract this amount from the total of **your** loss, then **we** will pay for the rest of **your** loss. **We** will pay up to **your** total **amount of protection**. **We** will use a separate deductible amount for each **dwelling** insured, even if more than one **dwelling** is damaged at the same time, as a result of the same cause of loss. **We** will not pay if **your** loss is less than the deductible.

Special Conditions and Limitations

a) Basis of Settlement Clause:

Any loss under this policy shall be adjusted with the named Insured or his/her authorized representative and any settlement shall be based on the cost of repairing, replacing or reinstating (whichever is lesser) with material of similar kind and quality, and for like occupancy, without deduction for depreciation. The repair, replacement or reinstatement must take place on the same site and shall be subject to the following provisions:

1. **Our** payment shall in no event exceed the actual cost for repair, replacement or reinstatement.
2. If repairs, replacement or reinstatement with materials of similar kind and quality is restricted or prohibited by any bylaw, regulation, ordinance or law, any increase in costs shall not be covered by this policy.
3. The maximum amount that **we** will pay shall in no event exceed the **amount of protection** shown on **your** Cover Page.

4. **Our** liability shall be limited to that proportion of the cost of repair, replacement or reinstatement which the **amount of protection**, applicable to such **dwelling(s)** at the time of loss or damage, bears to 80% of the actual **Replacement Cost** of the **completed value** of the entire **dwelling(s)**. The term **completed value** shall mean the total value of the **dwelling(s)** after all construction has been completed. The value of the **dwelling(s)** shall include the cost of all material and labor.
 5. To determine if the **amount of protection** applicable to such **dwelling(s)** is 80% or more of the actual **Replacement Cost** of such **dwelling(s)**, **we** shall disregard the cost of excavations, underground flues and pipes, underground wiring and drains, brick, stone and concrete foundations, piers and other supports that are below the surface of the lowest basement floor. In the event that there is no basement, then those items that are below the surface of the ground inside the foundation walls shall be disregarded.
 6. If the policy covers two or more **dwellings**, the Basis of Settlement Clause shall apply separately to each **dwelling**.
- b) Occupancy Clause:**
It is a condition of this insurance that the **dwelling(s)** shall not be occupied unless **you** tell **us** and **we** show this on **your** Cover Page.
- c) Arson Conviction Reward:**
We will pay \$1,000 for information which leads to a conviction for arson in connection with a fire loss to property insured by this policy. The amount **we** pay adds to **your** total **amount of protection**. The \$1,000 limit will not be increased regardless of the number of persons providing information.
This coverage is not subject to a deductible.
- d) Fraud Conviction Reward:**
We will pay \$1,000 for information which leads to a conviction of fraud in connection with an insured loss to property insured by this policy. The amount **we** pay adds to **your** total **amount of protection**. The \$1,000 limit will not be increased regardless of the number of persons providing information.
This coverage is not subject to a deductible.
- e) Property Protection Coverage:**
We will pay for property that is damaged or used trying to protect **your dwelling**, outbuildings, or belongings from a loss. For example, **we** will pay to recharge a neighbour's fire extinguisher if it was used to fight **your** fire. **We** will not pay for property owned by a fire department. The amount **we** pay adds to **your** total **amount of protection**.
- f) Debris Removal Clause:**
You may have **us** pay to remove debris of insured property from **your premises**, if **your** insured property has been damaged or destroyed by an **insured peril**.
We will also pay for removal of property of others, excluding trees, shrubs and plants blown on to **your premises** by windstorm, if **your** insured property is damaged or destroyed by an **insured peril**.
Debris removal expenses shall not be considered for the purpose of applying any co-insurance.

Conditions

Parts 2, 3 – Added Features of Your Part 1 Coverage, 4 and 6 (A), (B) and (C) of this booklet do not apply to **dwellings** under construction.

Part 6 – Policy Conditions

A. Settling a Claim

Your Cover Page will show the **amount of protection** on property insured in Part 1, 4 and 5. These amounts, along with the features **we** have said add to **your amount of protection**, are the most **we** will pay for **your** loss.

We will pay for insured loss or damage up to the amount of **your** financial interest in the insured property, but not exceeding the applicable **amount(s) of protection** for any loss or damage arising out of **one occurrence**.

Any payments for loss or damage shall not reduce the amounts of insurance provided by this policy.

We will not pay for any increased costs due to unnecessary delays on **your** part.

Swimming pool liners are subject to **Actual Cash Value** in all cases regardless of cause of loss or age of the pool liner.

Our payment will also depend on **your** share of the loss and other rules used to settle claims. These are explained below.

Deductible

A deductible is used for losses to property covered in Parts 1, 4 and 5.

A deductible means that **you** will have to bear the first part of **your** loss yourself. **We** will subtract this amount from the total of **your** loss, then **we** will pay for the rest of **your** loss. **We** will pay up to **your** total **amount of protection**. **We** will not pay if **your** loss is less than the deductible. The deductible is shown on **your** Cover Page.

Single Highest Deductible

You may have different deductibles, depending on the type of property and the type of loss that **we** cover. In the event of a loss where more than one of **your** SGI CANADA policies are involved or where multiple deductibles apply under one loss, only the single highest deductible will be applied.

Replacement Cost and Actual Cash Value

— as defined in the Definitions section.

We will use one of these methods to find the amount of **your** loss.

If the **dwelling** is a mobile home, the basis of settlement will be **Actual Cash Value** unless otherwise shown on **your** Cover Page.

Obsolescence – Dwellings, Outbuildings and Belongings

We will not pay for increased costs that result when **you** cannot repair or replace **your** property because materials or parts are unavailable, obsolete, or outmoded. **We** will only pay the cost that would have been needed if materials or parts were available. **We** will pay the last known cost of materials or parts.

Dwelling and Outbuildings

If **you** repair or replace the damaged or destroyed building on the same site with materials of similar kind and quality within a reasonable time after the damage, **you** may choose as the basis of loss settlement either (A) **Replacement Cost** or (B) **Actual Cash Value**. **We** will only pay up to the total **amount of protection** shown on **your** Cover Page.

(A) The actual cost of repairs or replacement (whichever is less) without deduction for depreciation. In this case, if the loss is over \$10,000 **we** will pay in the proportion that the applicable **amount of protection** bears to 80% of the **Replacement Cost** of the damaged building at the date of loss. This means that if the **amount of protection you** have chosen is less than 80% of the **Replacement Cost** of **your** building **you** have to pay part of the loss.

Settlement will be as in (B) **Actual Cash Value**, if any of the following applies:

- **you** do not repair or replace **your dwelling** or outbuilding on a permanent foundation at the same site.
- **you** do not repair or replace **your dwelling** or outbuilding within reasonable time.
- at the time of loss or damage **your dwelling** was **vacant**.
- **you** do not re-occupy **your dwelling** on the same basis as the time of loss.
- loss or damage to a seasonal mobile home or its outbuildings over 10 years of age according to the manufacturer's date of construction.

(B) The **Actual Cash Value** of the property at the date of loss.

We will not pay for increased costs due to any law or bylaw dealing with building or repair. **We** will not pay for any increased costs due to unnecessary delays on **your** part.

Specific Causes of Loss Subject to Limited Replacement Cost

In the event that the roof of **your** dwelling or outbuilding is damaged in whole or in part by windstorm or hail, payment will be settled on a **Limited Replacement Cost** basis. **We** will pay only for the insured loss to the area of **your** roof directly damaged. **Limited Replacement Cost** will apply even if **you** have Guaranteed Replacement Cost.

Roof includes, but is not limited to roof material, roof covering, roof accessories and venting, soffit, fascia, eavestroughs and downspouts connected to eavestroughs.

The **Limited Replacement Cost** is based on the following schedule:

Roofing Material	Depreciation during the first 15 years	Annual Depreciation % after year 15	Maximum Depreciation
Asphalt/Fibreglass Composition Shingles (Class 1-3)	0%	10%	80%
Asphalt/Fibreglass Composition Shingles (Class 4)	0%	7%	80%
Architectural Shingles	0%	7%	80%
Membrane Roofing	0%	5%	80%
Metal/Rubber/Synthetic/ Polymer/ Tiles/Slate/ Concrete	0%	2%	80%
Wood Shakes or Shingles	0%	4%	80%
Built-Up (Tar and gravel)	0%	30%	80%
Other	0%	9%	80%
Soffit/Fascia/Eavestroughs/ Downspouts Connected to Eavestroughs	0%	5%	80%

Where the age of the roof is not reasonably determinable, the age and depreciation will be calculated by a Certified Residential Roof Inspector appointed by **us**. The Maximum Depreciation applied to these losses will continue to be according to the schedule shown above.

Dent Exclusion for Metal Roofs over 10 Years Old

When the cause of loss is windstorm or hail, **we** will not pay for dent damage to metal roofs for **dwelling(s)** or outbuilding(s) covered under this policy where the age of the roof is greater than 10 years unless the metal is actually punctured.

Special Belongings

Watercraft, their equipment, accessories, outboard motors and **jet propulsion personal watercraft**, including unlicensed boat trailers are covered for **Replacement Cost** coverage if they are not more than 10 years of age from the date they were originally purchased as new.

The **amount of protection** for each scheduled item of special belongings must be maintained to 80% of its value. If **you** fail to do so **you** shall become a co-insurer and bear that proportion of the loss to bring the total **amount of protection** up to 80% of its value. **We** will pay in the proportion that the applicable **amount of protection** bears to 80% of the value of the lost or damaged property. When **we** say **value we** mean, **Replacement Cost** or **Actual Cash Value**, whichever applies, as explained above.

Belongings and Special Belongings

We will pay the cost of repair or the cost of new belongings or special belongings (whichever is less) of similar kind, quality, and usefulness up to the total **amount of protection** for **your** belongings or to the **amount of protection** shown for special belongings. If **you** replace a belonging or special belonging with one of lesser quality, **we** will only pay the amount **you** paid for the replacement. **You** must give **us** written proof of replacement or repair in order to get **Replacement Cost** coverage. **You** may choose payment on an **Actual Cash Value** basis initially. **You** may make a subsequent claim on a **Replacement Cost** basis but not later than 180 days after payment of an **Actual Cash Value** settlement to **you**. **We** will not pay for increased costs due to unnecessary delays on **your** part. **We** will keep any salvage or proceeds from salvage.

We will only pay the **Actual Cash Value** for loss or damage to these nine types of property or special belongings:

- 1) a belonging that is not in good, useable condition at the time of loss.
- 2) a belonging not in current use by **you** at the time of loss that **you** stored away and for which **you** had no specific future use.
- 3) a belonging of an age or condition that makes it out of date or no longer usable for its original purpose.
- 4) art works, antiques, rare objects, and other items that cannot be replaced.
- 5) a belonging that has not been repaired or replaced after a loss.
- 6) spare automobile, all terrain vehicle and dirt bike parts and accessories.
- 7) watercraft, their equipment, accessories, outboard motors and **jet propulsion personal watercraft**, including unlicensed boat trailers that are more than 10 years of age from the date they were originally purchased as new.
- 8) belongings in a mobile home, unless otherwise shown on **your** Cover Page.
- 9) buildings and structures where the wall or roof construction consists of tensioned fabric, poly, canvas or similar covering.

Pairs and Sets

(Applies to Belongings and Special Belongings)

Pair: If there is a loss to half of a pair, **we** will pay for the complete pair. The undamaged piece becomes **our** property.

Set: For items that are part of a set of two or more pieces, **we** will only pay for those parts that had the loss. For example, if **your** chair is destroyed, **we** would pay for that damage. **We** would not pay for the matching sofa, unless it was damaged as well.

Dent Exclusion Clause for Mobile Homes

When the cause of loss is windstorm or hail, **we** will not pay for dent damage to metal roofs or siding of mobile homes covered by this policy unless the metal is actually punctured.

B. Property with Specific Amounts of Protection – Belongings

(Not Applicable to Special Belongings)

D. General Conditions

The following general conditions apply to this policy:

- 1) **We** will not cover people who were holding, storing, or transporting **your** property for a fee at the time of loss.
- 2) After **we** pay for **your** claim, **we** may find that someone else is legally responsible for **your** loss. **We** have the right to recover **our** payment from that person. If **we** ask, **you** must co-operate with **us** in any legal action **we** take at **our** expense and through **our** lawyers. **You** may release another person from their legal responsibility to **you** for loss or damage to **your** property, but **you** must tell **us** if **you** do. The agreement must be in writing, and **you** must make the agreement before any loss or damage takes place.

You must not release another person from their legal responsibility for loss or damage after a loss has occurred. **You** will need **our** consent in writing to do so.

- 3) Any payment for a loss will not lower the total **amount of protection** for the rest of the policy term.
- 4) The Statutory Conditions apply to all parts of this policy.
- 5) When **you** have other insurance on property covered by Part 1, 4, and 5 of this policy, **we** will only pay **our** share of the loss. **We** will do this even if **your** other insurance covers different perils than this policy. **Our** share will be in the same proportion that the amount of **our** protection bears to the total of all **your** fire protection.
- 6) **You** must tell **us** when **your dwelling** becomes **vacant** as defined by this policy.

You must tell **us** when no one has been living in **your dwelling** for a full year, even if **you** intend to return to it. **We** feel these **dwellings** are **vacant** too – even if belongings are still in place.

If **you** do not tell **us** within 30 days of **your dwelling** becoming **vacant**, **we** will not cover any loss or damage that happens after 30 consecutive days of vacancy. **You** will be covered after 30 days, only if **you** tell **us** **your dwelling** is **vacant** and Vacant Dwelling coverage – Cover Code AE is shown on **your** Cover Page.

A secondary dwelling insured under an Agro Pak policy is considered **vacant** when it is occupied overnight less than 90 nights per year. A secondary dwelling is defined as a **dwelling you** own and occupy overnight for a period less than six months, but not less than 90 nights per year.

Any permission for vacancy that **we** allow in this condition does not change or invalidate any coverage restriction due to vacancy, stated in other parts of this policy.

- 7) If **your** loss is due to a crime, **you** must report the loss to the police or other policing authorities at once. This includes such crimes as theft, burglary, and vandalism or malicious acts.
- 8) **You** must take all reasonable steps to protect **your** property.
- 9) If Cover Code C applies to a loss and it is more restrictive than Cover Code A or Cover Code B shown in this booklet, **we** will adjust **your** claim using the Cover Code most beneficial to **you**.
- 10) If **we** adopt any revision that would broaden coverage under **your** policy during the policy term, and **we** do not charge additional premium, the broadened coverage will immediately apply to **your** policy.
- 11) The **Insured** agrees:
 - a) that repair or replacement must be executed with due diligence and dispatch and as soon as practicable and in any event completed before the two year anniversary of the date when damage to the insured property occurred.
 - b) any loss or damage directly or indirectly, proximately or remotely, resulting from or contributed to by any delay to repair or delay to replace is not covered by this policy. This includes but is not limited to the increased cost of repair or reconstruction by reason of any ordinance or law regulating construction or repair.

Part 7 – Statutory Conditions

The Statutory Conditions apply with respect to all perils insured by this policy. In the following **you**, the name shown on **your** Cover Page, are called the **Insured**. **We** are called the **Insurer**.

1. Misrepresentation

If any person applying for insurance falsely describes the property to the prejudice of the Insurer, or misrepresents or fraudulently omits to communicate any circumstance which is material to be made known to the Insurer in order to enable it to judge of the risk to be undertaken, the contract shall be void as to any property in relation to which the misrepresentation or omission is material.

2. Property of Others

Unless otherwise specifically stated in the contract, the Insurer is not liable for loss or damage to property owned by any person other than the **Insured**, unless the interest of the **Insured** therein is stated in the contract.

3. Change of Interest

The Insurer shall be liable for loss or damage occurring after an authorized assignment pursuant to the *Bankruptcy and Insolvency Act (Canada)* or change of title by succession, by operation of law, or by death.

4. Material Change

Any change material to the risk and within the control and knowledge of the **Insured** shall void the contract as to the part affected thereby, unless the change is promptly notified in writing to the Insurer or its local agent; and the Insurer when so notified may return the unearned portion, if any, of the premium paid and cancel the contract, or may notify the **Insured** in writing that, if he desires the contract to continue in force, he must, within 15 days of the receipt of the notice pay to the Insurer an additional premium; and in default of such payment the contract shall no longer be in force and the Insurer shall return the unearned portion, if any, of the premium paid.

5. Termination of Contract

- (1) This contract may be terminated:
 - (a) by the Insurer giving to the **Insured** 15 days notice of termination by registered mail, or 5 days written notice of termination personally delivered; or
 - (b) by the **Insured** at any time on request.
- (2) Where this contract is terminated by the Insurer:
 - (a) the Insurer shall refund the excess premium actually paid by the **Insured** over the *pro rata* premium for the expired time, but in no event, shall the *pro rata* premium for the expired time, be deemed to be less than any minimum retained premium specified; and
 - (b) the refund shall accompany the notice unless the premium is subject to adjustment or termination as to amount, in which case the refund shall be made as soon as practicable.
- (3) Where this contract is terminated by the **Insured**, the Insurer shall refund as soon as practicable the excess of premium actually paid by the **Insured** over the *short rate* premium for the expired time, but in no event shall the *short rate* premium for the expired time be deemed to be less than any minimum retained premium specified.

- (4) The refund may be made by money, postal or express company money order, or by cheque payable at par.
- (5) The 15 days mentioned in clause (a) of subcondition (1) of this condition commences to run on the day following the receipt of the registered letter at the post office to which it is addressed.

6. Requirements After Loss

- (1) Upon the **occurrence** of any loss of or damage to the insured property, the **Insured** shall, if such loss or damage is covered by the contract, in addition to observing the requirements of conditions 9, 10 and 11:
 - (a) forthwith give notice thereof in writing to the Insurer;
 - (b) deliver as soon as practicable to the Insurer a proof of loss verified by a statutory declaration:
 - (i) giving a complete inventory of the destroyed and damaged property and showing in detail quantities, cost, **Actual Cash Value** and particulars of amount of loss claimed;
 - (ii) stating when and how the loss occurred, and if caused by fire or explosion due to ignition, how the fire or explosion originated, so far as the **Insured** knows or believes;
 - (iii) stating that the loss did not occur through any wilful act or neglect or the procurement, means or connivance of the **Insured**;
 - (iv) showing the amount of other insurances and the names of other Insurers;
 - (v) showing the interest of the **Insured** and of all others in the property with particulars of all liens, encumbrances and other charges upon the property;
 - (vi) showing any changes in title, use, occupation, location, possession or exposures of the property since the issue of the contract;
 - (vii) showing the place where the property insured was at the time of loss;
 - (c) if required give a complete inventory of undamaged property and showing in detail quantities, cost, **Actual Cash Value**;
 - (d) if required and if practicable, produce books of account, warehouse receipts and stock lists, and furnish invoices and other vouchers verified by statutory declaration, and furnish a copy of the written portion of any other contract.
- (2) The evidence furnished under clauses (c) and (d) of subparagraph (1) of this condition shall not be considered proofs of loss within the meaning of conditions 12 and 13.

7. Fraud

Any fraud or wilfully false statement in a statutory declaration in relation to any of the above particulars, shall vitiate the claim of the person making the declaration.

8. Who May Give Notice and Proof

Notice of loss may be given, and proof of loss may be made, by the agent of the **Insured** named in the contract in case of absence or inability of the **Insured** to give the notice or make the proof, and absence or inability being satisfactorily accounted for, or in the like case, or if the **Insured** refuses to do so, by a person to whom any part of the insurance money is payable.

9. Salvage

- (1) The **Insured**, in the event of any loss or damage to any property insured under the contract, shall take all reasonable steps to prevent further damage to any such property so damaged and to prevent damage to other property insured hereunder including, if necessary, its removal to prevent damage or further damage thereto.

- (2) The Insurer shall contribute *pro rata* towards any reasonable and proper expenses in connection with steps taken by the **Insured** and required under subparagraph 1 of this condition according to the respective interests of the parties.

10. Entry, Control, Abandonment

After any loss or damage to insured property, the Insurer shall have an immediate right of access and entry by accredited agents sufficient to enable them to survey and examine the property, and to make an estimate of the loss or damage and, after the **Insured** has secured the property, a further right of access and entry sufficient to enable them to make appraisal or particular estimate of the loss or damage, but the Insurer shall not be entitled to the control or possession of the insured property, and without the consent of the Insurer there can be no abandonment to it of insured property.

11. Appraisal

In the event of disagreement as to the value of the property insured, the property saved or the amount of the loss, those questions shall be determined by appraisal as provided under *The Saskatchewan Insurance Act* before there can be any recovery under this contract whether the right to recover on the contract is disputed or not, and independently of all other questions. There shall be no right to an appraisal until a specific demand therefor is made in writing and until after proof of loss has been delivered.

12. When Loss Payable

The loss shall be payable within 60 days after completion of the proof of loss, unless the contract provides for a shorter period.

13. Replacement

- (1) The Insurer, instead of making payment, may repair, rebuild, or replace the property damaged or lost, giving written notice of its intention so to do within 30 days after receipt of the proofs of loss.
- (2) In that event the Insurer shall commence to so repair, rebuild, or replace the property within 45 days after receipt of the proofs of loss, and shall thereafter proceed with all due diligence to the completion thereof.

15. Notice

Any written notice to the Insurer may be delivered at, or sent by registered mail to, the chief agency or head office of the Insurer in the province; and written notice may be given to the **Insured** named in the contract by letter personally delivered to him or by registered mail addressed to him at his latest post office address as notified to the Insurer; and in this condition, the expression **registered** means registered in or outside Canada.
